

2019 Annual Meeting

Wednesday, November 13, 2019

8:00 AM – 5:00 PM

Four Points Sheraton Hotel

Bellingham, WA

9/6/19 DRAFT

Theme

Thirty years since *Nestucca* and *Exxon Valdez*...we've come a long way.

Goal

Celebrate successes in spill prevention, response and preparedness by Task Force members and partners.

Objectives:

1. Share historical perspectives
2. Highlight Task Force successes in spill preparedness, prevention and response in past 30 years:
 - a. Regulatory
 - b. Communication/Education/Stakeholder Engagement
3. Highlight Task Force partners' successes in spill preparedness, prevention and response since Exxon Valdez
 - a. Federal
 - b. Tribal/First Nations
 - c. Industry
 - d. NGO
4. Future directions – how emerging issues and changes in the energy landscape are shaping the Task Force's work.
5. Build relationships among participants and document stories / lessons learned
